Notes from the Director

Another great week for the Cadets. They did an outstanding job at the St Patrick's Day Parade. The cadets took the Armed Forces Vocational Aptitude Battery this week. The cadets are going to be starting a College Preparatory Course with Ivy Tech in a few weeks. The course will be conducted on site here at Knightstown.— COL Joslin

Notes from the RPM Dept.

Cadets are still working hard on learning to be a good mentee and enjoying the classes to develop their goals for their post-residential life. They have been doing deep planning for their goals for housing, transportation, and careers/education. They have very achievable goals, and we are looking forward to their continued interest in learning about these areas and planning for success. You might discuss their goals with them and their Mentors when you are talking or writing them.

Reminder that we are taking applications for Class 23. Some of our best Cadets have been referrals from current and previous families. They can contact the Recruiting/Admissions Department at the 800 number or at info@hoosieryouth.org

1SG 's Quote of the week :

A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. He does not set out to be a leader, but becomes one by the equality of his actions and the integrity of his intent." --Douglas MacArthur
