Cadet of the Week

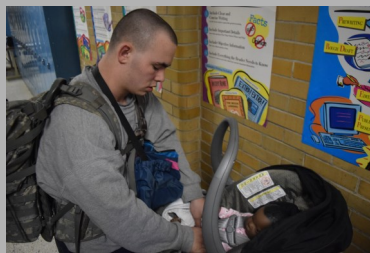

Cadet Ford, Aris'Andra
Marion County, IN

Cadet Ford was chosen as Cadet of the Week for her outstanding achievement in all 8 Core Components. Congratulations, Cadet Ford!

Notes from the Director

We have started the first round of TASC Testing and the Cadets are a little anxious but seem to be adjusting well. The first Scholarship Class was introduced. The Cadets will learn about the benefits of these opportunities as well as how to apply. If qualified they will be given the time to apply during the Residential Phase. Additionally, the Cadets traveled to Brown County as well as a local Habitat for Humanity to conduct Service to Community Projects. Both trips were very successful.
