Class 23 Newsletter

WEEK 1

JULY 20, 2018

Class 23 has begun. The Staff and I are excited to see this new group of cadets begin to acclimate to life at the Hoosier Youth Challenge. We look forward to working with Class 23 as the cadets begin adjusting to life here.

Good luck Class 23!

Cadets Week 1

- Candidates are adjusting to the new structure within the Academy.
- On Monday the Candidates started their Pre-TABE Testing. This test allows us to assess candidate skills and knowledge at the beginning of the program. We use test data to measure academic growth when we test cadets later in the program.
- All Candidates receive an eye exam to see if the candidate needs glasses.
- The Candidates have begun to write letters, please be on the lookout for your candidates letters and don't forget to write back!

What Candidates are Learning

- Drill and Ceremony
- Leadership Followership
- Health and Hygiene
- Physical Fitness
- Coping Classes; how to deal with homesickness
